**2017 December Southern California Fires  
California Department of Education Report  
December 14, 2017 at 1000 hours**

**Notes for Ojai Valley School:**

Science and Technology building, outfitted with labs, lecture halls and classrooms; and a two-story dormitory building for girls that also housed several faculty members and their families. Other buildings sustained some fire damage as well.

Damaged	San Diego	District Office	Bonsall Unified District office buildings	31505 Old River Rd. Bonsall, CA 92003	Staff Displaced
---------	-----------	-----------------	---	--	-----------------

**Notes for Bonsall Unified District Office:**

The district is located at the starting point of the Lilac Fire, and is declared a disaster area. Refrigerators and freezers have been without power for a number of days and all commodities on-hand have been lost. Nutrition offices are uninhabitable. CDE's Nutrition Services Division is supporting the district in determining and addressing food service needs.

**Ongoing Actions:**

- In contact with County Superintendents to help provide technical assistance. Connected Sonoma and Ventura County Superintendents to share lessons learned from October.
- Coordinating a second Project SERV grant from the U.S. Department of Education to help supplement the costs incurred by school closures.
